## Caitie's Classroom

Episode length: 22 min

**Audience:** Preschool

**Style:** Live action

Welcome to Caitie's Classroom where we elevate our skills and knowledge through play and imagination!
Each episode explores a theme through creative crafts, songs and movement, as well as hands on activities and learning experiences. Caitie encourages her friends to follow along at home, creating an experience that children love and parents can feel good about. There is always something exciting happening in the classroom!
